

From the Spick & Span Team

In October this year Spick & Span would have been trading for 25 years. We would like to take this opportunity to thank all our Domestic customers, Agents and Landlords for their valued custom and support, without whom we would not be celebrating this milestone.

SPRING

Having a well maintained garden is key to a stress-free life. Whether you simply wish to enjoy yourself in your garden instead of spending every weekend cutting the grass and pulling up weeds or whether you are a landlord wishing to protect your investment - a well maintained garden suggests a well maintained property inside.

Contact us to find out how we can be of help to you and leave you one less chore to worry about!

A Big Thank You!

... to all our staff and customers who donated much needed food, toys and money to the Blue Cross Animal Sanctuary which was our chosen charity last Christmas. We were pleasantly surprised with the support received.

ATTENTION : ALL LADIES AND GENTS WHO HATE SPENDING THEIR WEEKENDS IRONING!

We will deliver an ironing bag to your home or office. We can either do your ironing for you on a regular basis or just when you don't want to do it!

Have nice relaxing weekends in the knowledge that Spick & Span are taking care of your ironing. Please check our area coverage for this service.
